Alterations and additions to the Dispensary building at Mudgere.
Kadur District
Munl Presots' No 281 d, 26.11.03

A building at a cost of Rs 3000/ was built at Mudgere in 1897-98 for locating the Dispensary. The Govt in their Order No 7622-25 of 6.1.1898 L-7117-93 Nos 1554 exempted the Municipal Board of Mudgere from paying its quota viz $\frac{1}{3}$ of the cost and directed that the amount of such contribution be debited to Provincial Funds

Flag A

2 An estimate has now been sanctioned for Rs 3,033/- in the P.W.D. for making additions to and alterations in the existing building. The President relying on the order of the 6th Jan'y 1898 above referred to says that the

the Municipality need not pay its contribution But the High Engineer Western Circle is of opinion that the said order would not apply to the present estimate which provides for a liberation and addition to the existing buildings and after an lapse of 5 years as it is presumed that the Municipality must be on a firm footing with resources to pay its quota of the cost

3. The financial condition of the Mudgere Municipality for the current year is estimated as follows

	Rs
Opening balance	3776
Receipts	<u>2049</u>
Total	5825
Deduct expenditure	<u>2225</u>
Closing balance	<u>3600</u>

The President says that according to the preliminary accounts ^{of the Comptroller} for June 1903 the closing balance at present is Rs 5129 6-3 which, he says will be required for the improvements of the

the town under contemplation
 now in long time under these
 circumstances the President re-
 quests that the Municipal con-
 tribution ^{viz 1/3rd} may be waived

Sir,

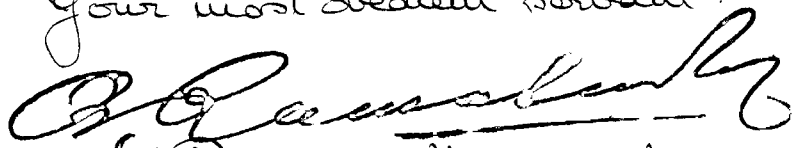

I have the honour to write to your notice that a new Dispensary at a cost of Rs. 3000 is proposed to be built at Kadur the present one being unsuited for the purpose, and to state that a provision of Rs. 2000 has been made in the Provincial and District Funds Budgets for 1901-02. The Municipality of Kadur was only established last year. Being a very small town it is unable to bear the heavy sum of $\frac{1}{3}$ contribution or Rs. 1000 as required in Govt. Pro No. 7041-53 dated 10th October 03. I have therefore to request that you will be so good as to obtain the sanction of Government to relieve the above Municipality of this charge and meet the original cost from the Provincial funds.

CENTRAL OFFICE,

Bangalore, 3rd July 1901 189

From

The Chief Engineer of Mysore  
Banaalore

To

The Secretary to the Government of Mysore,  
General and Revenue Department

SIR,

With reference to your No.17,501/Mis.4340 dated 27th ultimo, I have the honour to inform you that in 1897, the Senior Surgeon submitted proposals for improving the existing Dispensary building at Mudigere, and constructing separate quarters for the medical subordinate who occupies portion of that building. He was informed in reply that the P.W. Department was precluded, under existing orders, from building quarters for Hospital Assistants, but he may address Government in General Department, and that pending settlement of the question, the proposed improvement of the Dispensary will be in *abeyance*.

2 On receipt of Govt. Pros. No. 7622-25/L.F. 117-93 dated 6th January '98, the Senior Surgeon was asked whether he considers a new Dispensary necessary. In March '99, a project of Rs. 2,659 for constructing Quarters for the Sub Assistant Surgeon, and another for Rs. 3,033 for additions and alterations to the Dispensary, were sent to him, and he replied on 21st idem, that he had applied for sanction of Government as regards separate accommodation being provided for the Sub Assistant Surgeon. Nothing further having since been heard from him, no further steps have been taken by the P.W. Department in the matter. It may be mentioned that there is no provision in the P.W. Budget for 1901-1902 for

To. H. V. Nanjundayya Esquire M.A. M.D.  
Secretary to the Government of His Highness  
The Maharaja of Mysore  
General and Revenue Departments

Sir,  
In submitting herewith for the information of Government a copy of my docket no 93 of the 11th February 1903, together with that of Karnar Division Executive Engineer's reply no 721 of the 3rd November 1903, forwarding an extract from the Western Circle Superintending Engineers No 4264 dated 13th October 1903, I have the honor to state that though the Municipal Contribution ordered to be waived in G.O. No 7622-25 of the 6th January 1898 was <sup>29 117-93</sup> for the original construction of a new Dispensary at Mudgere at a cost of Rs 3000/- yet the present estimate for Rs 3033/- which bears the heading "alterations and additions" to the existing buildings, does not in my opinion materially alter the general tenor of the order since the "alterations and additions" costing more than the original estimate of construction does not in any

lessen the strength so as to give room for a new building.

There is at present a closing balance of Rs 5129-6-3 (as per preliminary accounts for June 1903) at the end of June 1903. This amount will be required for the improvements of the Mudger town, under contemplation from a very long time such as opening out of new roads and some permanent water supply Scheme and as such, the Municipal Board cannot conveniently contribute the amount in question.

I would therefore request you to be so good as to obtain the sanction of Government for the waiving of the Municipal Contribution of Rs 104/- in conformity with their order no 7622-25 dated the 6<sup>th</sup> January 1898.

Inclosure No 716

His docket No 93 dated 11th February 1903, returning the estimate for Rs 3033/- for additions and alterations to the Dispensary at Midgere duly countersigned and stating in concluding portion that the municipal quota of contribution has already been waived by Government in their Order No 7622-25 of the 6th January 1898 etc  
LA 117-93.

With reference to the above, has the honor to annex overleaf an extract from Superintending Engineer's No 2264 of 13th October 1903, for favour of information and to request that arrangements may kindly be made for placing the amount at the disposal of this Department or otherwise as stated therein. The estimate has been sanctioned by the D. P. W. Secretary for Rs 3033.

Extract from Superintending Engineers  
No 4264 of 13<sup>th</sup> October 1903.

2. The Municipal contribution ordered to be waived by Government in their Proceedings No 7622-25 of 6<sup>th</sup> January 1898 was towards the construction of a new dispensary at Mudgere. But this would not apply to the present estimate which provides for alteration and addition to the existing buildings and after an elapse of 5 years as it is presumed the Municipality must be now on a firm footing with resources to meet the proportionate charge on this account. The President of the Municipal Board should be addressed either to pay its quota of contribution or obtain sanction of Government to the same being waived. If Government should insist on their paying the contribution the excess expenditure may then be written back.
